

Magic Lincer Tennis
Men's Singles Ladder Information

Play Schedule: (September - May) Weekly in Manchester and Windsor 7:30–9:30 PM, Mon (3.0) Tues (3.0-3.5) Wed (3.5-4.0) Thurs (4.0-4.5+) The ladders are continuous meaning players will move up and down the ladder potentially changing nights of play. For example: the winner of the top tier of Monday will play the bottom of Tuesday and the player who loses on the bottom tier of Tuesday will play the top of Monday the following week and so forth.

* New players may be added during the Season in the appropriate spot using the discretion of the organizer of the ladder. This may mean that some players will be bumped down a spot to fit a higher level player into the mix.

Weekly Cost: \$34 per member/\$44 per nonmember with one can of new balls for each court. Subs pay \$34.

Rules: -Arrive 10 min early to be ready to walk on the court on time as to not delay play for others. There is a 10 min warm up with the first opponent. Late penalties: 5 min late=loss of toss plus 1 game, every additional 5 min late is another game lost. We do this as to not delay the second and third matches of the night. At 9:30 PM play ends whether you have finished the set or not. Each player will have three matches. Each match is a 6 game set with no-ads with a 7 point tie breaker at 5-5. Record your score with each player with your score listed first.

Scoring: We give 3 points for a set win, 2 points for a set tie and 1 point for a set loss. When determining the line up, if two players have the same set score, we use number of games won, then number of games lost. If that is also tied, we look head to head. SUBS can help a player stay put or move them down due to losses, but cannot move the player higher on the ladder.

IMPORTANT NOTE -If you are absent with no sub or cancel with less than 24 hours, you will automatically move down the ladder to one tier below. Please note that running the ladder requires us to reserve prime time courts for the players. **Therefore, 24 hour notice of an absence is required or you will be responsible for payment regardless of the reason.** Any player that is frequently absent more than 2x/month will be moved to the sub list until their schedule regulates. As soon as you know you will be absent, text 203-331-7209.
